A Message from the Administrator

As we welcome the warmth and sunshine of summer, June brings a special opportunity to celebrate our amazing certified nursing assistants... the heart of healthcare! CNA Week (June 13–19) is a time to recognize the dedication, compassion, and hard work of the CNAs who make a difference every day. Let's take a moment to say thank you and show our appreciation.

With longer days and nicer weather, it's also the perfect time to get outside, recharge, and enjoy everything summer has to offer. Whether it's a walk in the park, a team picnic, or just some well-deserved sunshine, we hope you take time for yourself this season.

Here's to a month of gratitude and good vibes!

A Message from the Director of Nursing

As we honor CNA Week, we take this opportunity to recognize the incredible dedication, compassion, and hard work of our certified nursing assistants. CNAs are the important pillars of our care team, providing hands-on support, comfort, and dignity to our residents every single day. Your tireless efforts do not go unnoticed, and we are deeply grateful for all that you do.

Alongside our celebration, we remain committed to ongoing professional development. Continual education is a cornerstone of quality care and career growth. Through structured in-service trainings, access to online learning modules, and competency refreshers, we help our team stay current with best practices, regulatory standards, and evolving resident care needs.

Together, we are building a stronger, more informed care environment where both our residents and team thrive.

Above & Beyond Awards

During the month of May, we've been fortunate to have several Superior team members recognized for going "Above and Beyond"!

First up, Cheryle

Please help us congratulate Cheryle White, an environmental services aide!

Courtne shared, "Cheryle is the sweetest lady ever; she always puts a huge smile on every resident's face and everyone around her. She is an amazing worker who is always on top of things. Working with her is always an amazing day!"

Next up is Paul

Thank you for going above and beyond, Paul Sevrin!

Kim shared, "Paul, our bus driver, is so professional and helpful to the residents and employees. Recently, he provided assistance to therapy for a home evaluation for a resident. We wouldn't have been able to get it done if it weren't for Paul. He was instrumental in helping this resident prepare

for a successful transition to home. A huge therapy thanks to Paul!"

Then we have Charlie

Awesome job and congratulations to Charlie Nelson, our staff coordinator!

Ashlyn shared, "Charlie is always willing to work with employees whenever we need a day off last minute. She is always on the floors making us laugh and helping out when needed. She is also a really good listener, very welcoming, and kind. We don't know what we would do

without her."

Next is Meghan

Thank you to Meghan Graham for going above and beyond!

Courtne shared, "Meghan is such a hard worker. She always has a smile on her face, and she works extremely well under pressure. Meghan is very kind hearted and very understanding. Residents always get a big smile whenever they see her!"

And then we have Casey

Congratulations to Casey Christiansen, one of our medication aides.

Cheryle shared, "This woman is so amazing, not only is she my coworker, she is an amazing person in general. Casey works very hard at what she does, she goes above and beyond with her time off and still volunteers to work. She's funny and keeps all her co-workers laughing and smiling through the day."

Finally, Lisa

Thank you for going above and beyond Lisa Severson.

Joan and Kaetlyn shared, "Lisa always goes above and beyond! She is very kind, caring, and patient - always advocating for residents and employees. Lisa is a hard worker, fun and easy to work with as well. We appreciate her so much."

Thank you to all of our team members who work so hard to go above and beyond!

Tips for Walking on Uneven Ground

As the weather begins to warm up this summer, you may be looking to enjoy some time outside, which may mean walking on uneven terrain such as grass or gravel.

Here are some tips about how to walk safely on uneven ground:

- **Footwear:** Be sure to wear supportive footwear such as tennis shoes or hiking shoes instead of flip flops or sandals that do not offer as much support.

- **Watch your step:** Avoid areas where you can visibly see mud, water, or loose rocks.
- **Choose your device wisely:** A single point cane is better than a quad cane, and a walker with big wheels is better than a walker with small wheels.
- **Go slow:** Walk slowly and carefully, take shorter steps, and pay attention to the terrain ahead of you.
- **Use the sidewalk:** When a sidewalk is available, it would be beneficial to use it to avoid the need to walk on uneven ground.

Chris' Success Story

From Hospital to Dove Healthcare TO HOME

Chris was wheelchair bound and hadn't walked in over three years. After having both hips replaced in the past four months, she is now walking over 150 feet and ready to successfully return home!

"I really like the therapists at Dove Healthcare - Superior. Ashley is wonderful. She has patience, and yet she didn't let me slack off. Joel is good at what he does too. Therapy helped me a lot! Going to my apartment for a home evaluation was also a good idea to help me know what extra steps I needed to work on for discharge. The therapists know how to work with different personalities as well. I want to give a heartfelt thanks to all of them. I wouldn't be going home in good shape if it weren't for them. I recommend Dove Healthcare - Superior as the place to go for short-term rehabilitation."

Thank you for choosing Dove Healthcare – Superior, Chris! It's been a great honor to know and care for you. Well done, Chris! We are proud of you and wish you all the best back at home!
